

# **School Welcome Checklist**

Welcome to your classroom! I'm so glad you're here! Please use this checklist to guide you through the room. You can complete them in any order.

Say hello to your teacher! I am so excited to meet you!

Find your name in different places around the room.

Have your caregiver provide their phone and email on the sign-up sheet.

Find your book box. Select 5 books from the classroom library for your book box.

Put any supplies you brought in their designated spots.  
(There are signs around the room.)

If you see other students in here, introduce yourself!  
They might be your new classmate.

Write your favorite song on our class playlist chart.  
I will use these to make a playlist for our class.

Walk around the school to find the gym, music room, lunch room, library, and playground.

**If you have any questions, be sure to ask me!**
