

's Self-Evaluation

Take a minute and reflect on the choices you have been making. How would you rate yourself on a scale from 1 to 5? If you color in one heart you have been having trouble, if you color in five, that means you have been a rockstar!

I try my best even when things are hard.

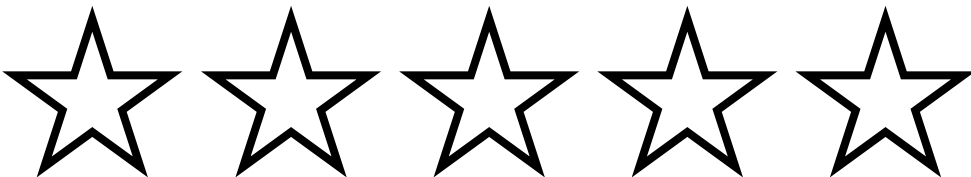

I listen and follow directions the first time.

I am kind and respectful to my classmates.

I finish my work on time and do it neatly.

I ask for help when I need it.

I follow classroom and school rules.
